Testimonials were received in various forms through a variety of submission methods. The testimonials reflect the real-life experiences of individuals who used our products. However, individual results may vary. Testimonials are not necessarily representative of what anyone else using our products may experience. The people giving testimonials may have received a free product or a discount for use of their experiences. The testimonials displayed are given verbatim except for grammatical or typing error corrections. Some testimonials may have been edited for clarity or shortened in cases where the original testimonial included additional information of no relevance to the general public.
